Covenant University is a private, Christian Mission University committed to raising a new generation of leaders. Our mission is to train graduates who will be mentally resourceful, intellectually equipped, entrepreneurial self-dependent, historically visionary and responsibly sensitive.

Applications are invited from suitably qualified candidates for admission to degree programmes on a full-time basis in the following Colleges and Departments of the University.

**GENERAL REQUIREMENTS:**
The minimum entry requirements for admission into Covenant University are credit passes in 5 subjects at the SSCE/NECO/NEMATER Ordinary Level, obtained at not more than two sittings. The subjects passed must include English Language, Mathematics and one relevant Science subject, selected from the following groups:
- Biology/Health/General Science, Food and Nutrition, Agricultural Science, Physics and Chemistry.
- Students are advised to consult with their College and/or a Programme.

**JAMB PREREQUISITE**
Candidates applying to Covenant University are required to sit for the 2013/2014 UTME examination of the Joint Admissions & Matriculation Board (JAMB) and attain the prescribed cut-off marks. This is a statutory requirement for entry into Nigerian Universities. Candidates are required to apply for programmes of their choice by filling the 2013/2014 JAMB registration forms. Applicants are strongly advised to ensure that their JAMB subject combination qualifies them for their chosen programme. Any candidate desiring to apply for a change of course after filling the forms must make their application to JAMB before the release of the 2013 UTME results.

In addition to the above, Covenant University conducts a Computer Based Post-UTME screening exercise for all candidates seeking admission to the University and applicants may not be admitted without fulfilling the demands of the screening exercise.
