

**Title of Article:** Concise Guide to Investigation and Special Audit

**Author(s):** Bowale E. I. K.

**Outlet: Books/Monographs:** Trust in God publication 2004: Ilorin Nigeria 1<sup>st</sup> Edition

**Date:** 2005

**Abstract:** In this easy-to-use concise book, the author guides readers through a pragmatic way of carrying out an audit of specialized organizations and institutions such as banks, insurance companies, pension funds, hospital and hotels; and not-for profit organizations e.g. clubs, associations, schools etc. The book explains vividly the liability of the auditors. The book also provides a veritable platform for proper understanding of types of investigation and circumstances that can lead to investigation. The reporting aspect of investigation is also given proper attention in this book. The end-of-chapter materials contain review questions from various examination bodies. These questions are to test comprehension and proper understanding of the materials in the chapters. The readers will find the book invaluable.
